

## NAH 1507 : HEALTH SKILLS

A study of concepts that serve as the foundation for health professions courses. Topics include client handling and safety issues, health documentation and methods, and care of the client in a long term care facility. With successful completion of this course, the student will be eligible to take the state certification exam and to apply for certification as a nursing assistant. CPR certification will also be obtained. This course follows guidelines established by the Office of Long Term Care.
