

Business (AS)

Degree Type

Associate of Science

The Associate of Science in Business is designed for students who wish to pursue a bachelor's degree in business at a four year college or university. UACCB's A.S. in Business degree consists of 44 credit hours of general education requirements and 18 credit hours in business classes. Students in the A.S. in Business program should research university programs as early as possible. Each college of business has selected their particular directed elective, so students should become informed about specific universities. There are no substitutions allowed to this degree program.
